Addendum Questions

Question #1 •Evaluation Criterion # 1 Company and Personnel Qualifications, Question 3. Provide information from at least three accounts of similar scope. Include, at a minimum, the following information: (company name, contact name, phone number, email address, brief description of project scope and value, status of project).
oDoes the City have any specific size requirements on accounts they are looking for?

Answer Please provide at least three projects. Include, at a minimum, the following information: (company name, contact name, phone number, email address, brief description of project scope and value, status of project). You don't have to provide similar scope since this is an as needed service RFP.

Question #2 •Evaluation Criterion # 2 Contractors Projects, Question 1. Include a description of exactly 3 projects per key category of similar size and scope that the key personnel have successfully completed within the last 10 years. Include owner contact information roles in the project and any other information deemed pertinent.
oDoes the City have any specific size and scope requirements on projects they are looking for?

Answer See Question #1. We don't have a size and scope requirement.

Question #3 •Evaluation Criterion # 3 Value/Cost of Efforts, Provide a cost for the consulting services and products broken down per task listed under the Scope of Services, above. Show a breakdown of all reimbursable expenses required to complete the work. If applicable, the subcontractors' costs must be shown as separate items. Also, provide hourly rates for your firm and all subcontractors. These rates will be considered valid throughout the project. See Exhibit A for Rate tables.
oCan we provide two rates (hourly regular and Overtime) for journeyman/foreman and apprentices?
oFor electrical, are there specific scope of service the City would like costs on or are rates good enough?

Answer Provide Rates for journeyman, foreman and apprentice. Provide regular and overtime rates for each one. There aren't any specific scope of services. We are just looking for rates.

<p>Question #4</p>	<p>•Evaluation Criterion #4 Contractors Hours Rates for Key Personnel and Team Members, Question1. Provide hourly rates for your business. These rates will be considered valid throughout the project.
