**DEPARTMENT OF FINANCE | PURCHASING**

The System for Award Management (SAM) identifies those parties excluded throughout the U.S. Government from receiving contracts which have Federal funding. Regardless of whether or not a project involves federal funding, the City of Greeley uses this database to screen potential vendors for procurements at or above \$25,000. Potential vendors are required to register on the SAM website (<https://sam.gov/content/home>). Prior to issuance of any Purchase Order or contract at or above \$25,000 the Purchasing Division must have documentation that the vendor is registered and in good standing with System for Award Management (SAM).

For a step-by-step guide on how to create a SAM.gov account and receive a Unique Entity ID (UEI), watch [this video](#) or read [this guide](#).
