To all remaining vendors

Subject: RFP #F23-07-062 – CIS & Implementation Services

Dear Vendors,

On behalf of the City of Greeley, I am pleased to announce our intent to move to Round 2 (Demonstrations) with SpryPoint, for the CIS & Implementation Services RFP, F23-07-062. We recognize the considerable investment companies make to prepare proposals and interview sessions and we strive to carefully review every response we receive. This notice is not a notice of award and the City reserves the right to invite the other remaining vendors for demonstrations should we decide that it is necessary. A separate notice of award will be publicly posted if and when a final decision is made and a contract has been executed.

Again, we appreciate your involvement with this project as well as your past and present support to the City of Greeley.

Sincerely,

Alex Adame
